

Need to Know:

Perek 19: Ezevel wants Eliyahu killed so he runs away and travels into the desert and gives up and wants to die. He is discouraged by the fact that Bnei Yisrael did not immediately change. He threatens to kill himself but Hashem sends an angel to feed him and shade him and Eliyahu went to Har Sinai and he said to Hashem that "I am the only good Navi" Hashem said "Stay here" and HAsheM sent a huge fire, earthquake, and a huge wind. HAsheM was not part of the big things but he was part of the smaller thing. After all these three things he sent a small voice and Hashem said that small things are significant. Eliyahu did not learn from this signs though **Radvaz was the one who said that because Eliyahu had such little faith in Bnei Yisrael, a way of proving him wrong is by making him come to every bris milah and every seder to show him that the people of Hashem actually want to be close to Hashem.** And Elisha will be the new Navi and only the 7000 people will remain in Israel because they didn't serve Ba'al. And Eliyahu went to get Elisha and when he put the coat on him, Elisha knew it was time for him to be the Navi. Elisha wanted to say bye to his parents before he left.

Perek 20: Ben Hadad went and said to Achav "Im taking a=whatever I want and if

not, I will fight you". Achav said take everything and BEn HAdad said in addition to all the goods, Ill take everything you desire **Rashi says this is Achav's sefer torah** Achav said I dont want to give that up" And BEn HAdad said he was coming after him. Michayhu came to Achav and said "Hashem will deliver them to you if you listen to the instructions. HE said that Achav should attack them when Ben HAdad and his crew was drunk and they succeeded all 232 of the youths and after that Michayhu said dont be so confident becausr they will come back in the spring. Aram thinks that we will beat them the second time becaude HAshems army is only good in the mountains so we will fight them in the plains. Hashem was angry dzXby this and he sent Michayhu to say that Achav will beat them again. And Achav beat them and they started to flee and the wall fell on 7000 of them. BEn HAdad went into hiding and his servants saidd he should give in because Achav is a king of mercy. BEn Hadad went to Achav and Achav spared his life. This was the wrong thing to do. Then there was a man who told someone to hit him and if theu would not, a lion would eat them. The first man didn't hit him and he died, but a second man did and then Michayhu, who was in dui guise stood on the road and waited for Achav. HE said to Achav "I was watching a prisoner and he ran awasy

and I lost him. What should I do? Achav responded that it was his fault and then Michayhu took off his mask and said this is like the mistake you made with Ben Hadad.

Perek 21: Achav wanted Navon's field but Navon said it was priceless. Achav went home acting like a 4 year old. Achav didn't just take it because he didn't want Bnei Yisrael to think he is a bad man by just taking someone's field. Ezevel said what's wrong and Achav told her he wanted the field so Ezevel was determined to get it. She wrote letters to Bad Zekeinim saying that Navot did against Hashem. Then she got two false witnesses to testify against him. They testified against him and then Navot was put to death and the field was all Achav's. Michayhu said **"First you killed him then you took his field הרצחת וגם ירשת"** The punishment would be that the dogs would lick his blood just like they did to Navot and his whole family will die. Achav tore his clothes and mourned and fasted and laid in his sackcloth and walked barefoot. Hashem said to Eliyahu did you see this? Because of this Achav won't live to see all the torture that will happen to his family, I will wait for him to die

Perek 22: There was a 3 year cease fire and on the third year Achav decided he

wanted Ramot Gilead that was promised to him by Ben HAdad. He asked Yehosafat to help him out and Yehoshafat said sure just ask HAshem first. Achav went to the 400 fake NEviim and they said he can go but Yehoshafat was smart because 2 Neviim shouldnt say the same thing so he suggested that they ask one more NAvi, but Achav knew that the NAvi would be Michayhu but Achav hated him and talked trash about him, and Yehoshafat said don't talk about NEviim like that. Michayhu came and he gave them a Bracha. He explained that Hashem was sitting around with all the hosts in Shamayim and said who wants to be the one to trick Achav and kill him? And a ruach came over before Hashem and said I'll be the guy to trick him and he said I'll do it by going to a fake Navi and tell them fake news to make them confident and they will go to Achav with confidence saying Achav should go to war. And Hashem put a false spirit in all the false navi's and Hashem doesn't want you alive. **Rashi Says: The spirit that killed him was Navot.** And they went to war and Achav disguised himself and almost got Yehoshafat killed and Achav got hit by a miracle and he stood up to try to make everybody confident by not showing his wound and he died and the dogs licked his blood.

The sefer starts with Teshuva (Dovid) and ends with Teshuva (Achav).
